Severe Weather Procedure for Bikers/Walkers:

In the event of bad weather at our 4:15 pm dismissal, walkers and bikers will be released when it is safe for them to exit.

Change of Transportation:

For the safety of our children, no transportation changes can be made after 2:30 PM. Also, please remember there is no early pickup after 3pm. If you need to change the way your child usually goes home everyday, you **MUST** change the student's mode of transportation with the school. Please note that if you change the mode of transportation for your student it does take 10-15 days for them to receive a new bus route if one is available for them.

When your child is absent:

Please call the attendance line at (Ms. Jones 281-985-3725) if your child is absent for any reason. You may also email her to djones@aldineisd.org

Drop Off Procedures:

- Please do not drop off students before 7:45 AM. Teachers are not on duty until 7:45, and for the safety of the students, we need adult supervision when students are present.
- Please also do not allow your students to get out of the car and cross the street. Students should only be walking on the walking path.

Pick Up Procedures:

- Anyone picking up a car rider during dismissal must drive through the car rider line and remain in their car.
- Walking up and trying to pick-up a student in-person cannot be accommodated.
- Anyone that walks onto campus to pick up a student must go to the front office to formally check-out that student if the pickup is before 3:00 PM.

Bus Riders:

- Parents of bus riders, it is very important that your student bring their backpacks daily and that they also have their ID Badges with them.
- This is the district's accountability and we want to keep all kids safe.

Lunch:

- Parents, remember Aldine ISD outside food policy. We as a secondary school do not allow outside food or beverages. Yes the student may bring homemade lunch, fruits or veggies and bottled water. (NO chips, juices, sodas, reusable bottles, candy etc...)
